Let's go!
Cant you see the red traffic light?
Is it alright to skip school right after go ng to school?
Shut up! cant you stop when we cross over?
I dont care! let's go find the Ryuji Jingu Gang

mangahere.com

Or else we will have a lot of trouble with the demons
Suddenly so serious
Let's go in
He wont hand it over easily
my master said that the owner of that restaurant is a weird person
It doesnt hurt to try

西東高中
I'm finally here!
卡嗒
This place has a strong devious aura.

No wonder demons use this place as their hideout
I can also feel the power of the holy beasts from this place
Another weird thing is...
What Vien isn't strong enough yet, I need to help him gather the holy beasts
So there are other holy beasts in this place beside the monkey
Finally found you old baldy!

GET HIM!
HA HA HA
HA HA HA
Watch this!
I'm weak because I'm old?
you thin

TAKE THIS!
AH!!!
AH!
GO IN!
NO!!!
Dont underestimate me because i'm old

mangahere.com

Old baldy!
Even with that staff of yours you still are an old fart
You cant hold it for long
AH!
He's right I'm getting too old now.
This looks bad.

Some explaination:

This Manhua is strongly based on " journey to the west", an ancient chinese noval
there are many drama on this novel, try google for it, if u are interested,
there might be english sub
- about "journey to the west", a monkey was born from a stone, later he was selected by his kind to be their king, wishing to be immortal, he went to study under a taoist,
he was given by the taoist the name sun wukong, in japanese.. son goku, ring a bell?
but the taoist cant teach immortality, so he teached him 72 transformation spells, nding cloud and what not. after that he do this and that, blabla...
u can try google for more info
-back to the manhua, Ma Van Tai is modelled after the monkey king and have his 72 spells , the staff ruyi jingu bang was usad by sun wukong and goku from DB also has a waapon like that, so no need to explain
-Sun wukong called himself, "great sage equal to heaven", Ma Van Tai called his punch lit "Punch equal to heaven" but i changed it to "godly punch"
- Sun Wukong was a being with too much power, he once destroyed and almost took over the celestial palast-->heaven, but was supressed by buddha
[redacted]Xuanzang to India to obtain buddhist sutra, he was
[redacted]
the story about immortality, afterlife, in all religion i think ppl die and their soul go to heaven and then they can reborn as new living things, and in chinese buddhism if human is a monk for 10 lives, they can become buddha, Xuanzang has been a monk for 9 lives and as Xuanzang the 10th time, so he has great spiritual power and hunted by demon seeking immotality, Sun Wukong is one of his students, following him to protect, and in this manhua Ma Van Tai follow and protect Nhat Vien
did i forget something? oh wall whatever, whats forgotten, try google for an answer
